EXPERIENCE

Associate Software Developer MICROLISE TELEMATICS PVT. LTD.

Dec 2020 - Oct 2023, Pune

- **Team size:** 9 members
- **Domain:** Fleet Management
- **Technologies used:** HTML5, CSS, TypeScript, Angular 10
- **Methodology and project management:** Agile, Scrum, TFS
- **Responsibilities:**
 - Contributed to the development of new features and resolution of various customer issues, demonstrating adaptability and problem-solving skills in an agile environment.

- Developed reusable UI components using Angular libraries, promoting code consistency across projects while reducing development time significantly.
 - Integrated APIs with Angular applications, enhancing data accessibility and functionality for end users.
 - Incorporated advanced Angular features like services and custom pipes to create dynamic web applications that met client requirements effectively.
 - Developed user-friendly interfaces for web applications, resulting in increased user satisfaction and engagement.
 - Optimized load times for web pages using lazy loading techniques, improving overall site performance metrics.
-

Angular Developer CODRAT TECHNOLOGIES PVT.LTD.

November 2023 - Present, Bhopal

- **Team size:** 4 members
 - **Technologies used:** HTML5, CSS, TypeScript, Angular
 - **Responsibilities:**
 - Developed dynamic and responsive web applications using Angular framework, adhering to client specifications and design guidelines.
 - Designed and implemented reusable UI components and directives to promote code reusability and maintainability across projects.
 - Collaborated closely with clients to gather requirements, provide project updates, and incorporate feedback, ensuring client satisfaction and project success.
 - Stayed updated with the latest Angular features, best practices, and industry trends, continuously improving skills and enhancing project outcomes.
-

PROJECTS

Journey-Management System (Fleet-Management)

- **Platform & Skills:** Angular 10, HTML5, CSS, REST Web Services, SOTI Integration.
- **Brief:** Spearheaded the development of a comprehensive fleet management system, leveraging Angular 10 to deliver end-to-end solutions for fleet owners. The system optimizes operational costs and streamlines fleet management processes, ensuring seamless control and efficiency.
- **Key Features:**
 - Designed distinct interfaces tailored for Drivers, Loaders, and Supervisors, ensuring intuitive user experiences catered to specific roles.
 - Developed a robust Transport Management System website using Angular for Admin, empowering administrators with real-time insights and control over fleet operations.
 - Implemented SOTI integration to enable remote access and management of customer data, enhancing accessibility and control.
 - Utilized REST Web Services to seamlessly connect Smartpod(Android App) from TMC(Website), facilitating efficient data exchange and synchronization.
 - Integrated Text-to-Speech (TTS) functionality to enhance user interaction and accessibility, providing audible notifications and alerts for enhanced user experience.
- **Role:**
 - Led requirement gathering efforts to ensure alignment with client needs and business objectives.

- Spearheaded the development of Angular services and UI components, focusing on delivering responsive and user-friendly interfaces.
 - Proactively addressed bugs and issues, ensuring the stability and reliability of the system.
 - Created custom plugins and contributed to feature development to enhance system functionality and meet evolving business requirements.
-

EDUCATION

Bachelor of Technology (Computer Science)

Oriental College Of Technology • Bhopal • 2020

ACCOMPLISHMENTS

- Recognized as "Employee of the Month" for exceptional performance in successfully integrating Copilot, a map navigation tool, into company projects, enhancing user experience and streamlining navigation functionalities.
 - SGFI National Chess Champion
 - Winner of code at Ground Zero
-

LANGUAGES

- English: High Proficiency
 - Hindi: High Proficiency
-

HOBBIES AND INTERESTS

Playing chess, travelling, listening to music, learning new things
