Mumbai,maharashtra

Summary

Passionate and innovative UI/UX designer with hands-on experience in user research, wireframing, prototyping, and design thinking. Leveraging a creative mindset and a keen eye for aesthetics, I specialize in crafting intuitive interfaces that seamlessly blend form and function. Capable of contributing to every stage of the design process, my diverse skill set enables me to deliver impactful solutions.

Experience

UI/UX Design Intern Good Tech Mind

28,february 2023

- Collaborated with cross-functional teams to conduct user research and gather requirements for projects.
- Utilized wireframing and prototyping tools to design intuitive user interfaces.
- Contributed to heuristic evaluations and conducted usability testing to iterate and refine designs.
- Assisted in the development of landing pages and conducted case studies to analyze user behavior.
