

ARPIT NAMDEV

9981375784 | arpitnam3001@gmail.com

OBJECTIVE

Proficient in crafting user-friendly platforms and seamlessly integrating new features. Seeking dynamic projects where I can contribute my technical expertise.

TECHNICAL SKILLS

Web Development: HTML, CSS, PHP, Bootstrap, JavaScript, ReactJS.

Tools: VS Code, Git, AWS, Go-daddy, G-suite

EXPERIENCE

Indian Institute of Forest Management, Bhopal

09/2019- 04/2024

(I have 2 years of experience in the development field.)

- Played a key role in developing and improving the IIFM Website.
- Provided support for various websites including iifm.ac.in, elc.iifm.ac.in (eLearning Website), and the Case Centre website (https://iifm.q4connect.com/iifm_case/), handling both front-end and back-end tasks.
- Designed and implemented new features across these platforms.
- Managed an intranet website built with PHP, enabling the upload of internal circulars and documents.
- Expanded functionality on the Case Centre website by introducing new features and creating a detailed blog section.
- Contributed to the customization of the Moodle platform to better serve institutional needs.
- Oversaw the renewal and management of domain, hosting, and email services for the institute.
- Administered G-suite Account (Enterprises) to facilitate organizational operations.

IBEAM INFOSOFT

- I have experience in developing an ecommerce website.
- I worked on customizing the WordPress website located at <https://www.mistywindvalley.in/>.
- I also customized the front-end for IBU Consultancy.

06/2018-08/2019
