Career Objective

Enthusiastic being and extremely motivated to constantly develop my skills and grow professionally. I am confident in my ability to come up with interesting ideas. Seeking an entry-level software development position.

Technical Skills

- **Programming Languages:** Java, JavaScript.
- **Web Development:** HTML, CSS, React.js, Redux Toolkit.
- **Database:** SQL.
- **Other Tools:** Figma.

Education

- Bachelor of Technology
 - RGPV University, Bhopal
 - CGPA of 8.37
- Higher Secondary
 - St. Thomas Convent Sr. Sec. School, Begumganj, Madhya Pradesh
 - Percentage: 77.2%
- High School
 - St. Thomas Convent Sr. Sec. School, Begumganj, Madhya Pradesh
 - Percentage: 75%

Technical Experience

- **Full Stack Development Intern** January 2024 - April 2024
HKRP Innovations LLP, Ahemdabad
 - Worked on C#, ASP.NET for backend, MySQL for database and Angular for Frontend.
 - Trained in full-stack development, focusing on best practices for scalable and maintainable code.
- **UI/UX Intern** Jun 2023- Nov 2023
Agikiya Technologies Private Limited, Bhopal
 - I had the privilege to design a user-friendly application that prioritized an intuitive and engaging user experience. In the other project, I crafted an appealing and responsive website, ensuring seamless navigation and visual appeal.

Projects

- **Study-smartly(Edtech platform): MERN Stack**
 - Created Study-Smartly, an ed-tech platform enabling: course purchases for students and course creation and sales for instructors.
 - Implemented an admin approval system for quality control.
 - Utilized Redux Toolkit for efficient state management across the platform.
- **Todo App: React.js**
 - Built a task management application with React, enabling users to add, edit, delete, and search todos.
 - Implemented local storage for persistent data saving and retrieval.
- **Blog Website: MERN Stack**
 - Developed a blog website featuring:
 - Admin panel for blog creation and management.
 - User-friendly access for readers.
 - Author submission with admin approval for blog publication.
 - Utilized Redux Toolkit for streamlined state management, enhancing user experience.
